

## **BUMP IN --- LAMBTON ART BAZAAR DECEMBER 1, 2024**

Hi Everyone

Please read all the information below as it's important to ensure that we all have a safe, positive, happy and hopefully lucrative day 😊

Looking forward to catching up with you on Sunday

Thank you... Kay

- **We will be able to drive on Lambton Park on Sunday.** Please make sure your hazard lights are on as you carefully enter and exit the park. I and other Committee members will be helping with traffic flow and the Men's Shed volunteers will be in attendance to help with unpacking and erecting your marquee, so that you can exit the park as quickly as possible to allow the next stall holder to proceed, this will ensure that everyone can get set up on time. Thank you 😊
- **PLEASE ADHERE TO YOUR BUMP IN TIMES** We are under guidance from NCC safety requirements in relation to vehicles on the park at one time.... Further to this we have over 60 stalls to get on the park in a timeframe of under 2 hours.... **SEE BUMP IN TIMES**
- **Yes the weather is unpredictable** .... however the forecast for Sunday is a couple of showers ... Please don't worry, we are keeping an eye on all forecasts and will cancel if necessary. However, we are an outdoor event so the weather will always play a role, as it does with every other market in Newcastle
- **Protect your stock** in the event of showers on Sunday morning we would suggest that you do some forward planning tomorrow and maybe cover your stock in a suitable waterproof cover from transportation from your car to your Marquee ( **NOTE:** If it's raining on arrival, we will allow Marquees to be erected before your car is unpacked, so that you can transfer your stock to dry undercover to avoid any damage)
- **NO CARS ALLOWED ON PARK BETWEEN 8am and 3.15pm**

## **BUMP IN TIMES ---PLEASE READ AND ADHERE TO YOUR ARRIVAL TIME**

We have 63 stalls and the market starts at 9am, **IT'S VERY IMPORTANT** that you arrive at your designated time to allow for traffic flow through the park and also to benefit you, so that you can park close to your stall site.

As this market starts at 9am we will be bumping in earlier ....

**ALL VEHICLES MUST BE OFF THE PARK BY 8AM .... MARKET STARTS 9AM**

- **DON'T FORGET YOUR WEIGHTS .....**All stalls must have weights, Lambton Park can get very windy especially at this time of year and a lot of damage can be caused by a flyaway marquee, so PLEASE take the time to ensure that your Marquee is stable ...if you are unsure of what is required, please ask me and I will assist you in ensuring that you are safe as well as your neighboring stallholders
- **BY order of NCC .....**No pegging allowed.

### **NO EARLY PACK UP**

We understand how difficult it can be when you are having a day with little interaction and minimal sales, we have all been there, however we should always be aware that to pack up early reflects on the market as a whole, creating a negative vibe....so just relax talk to your next door stallholder, enjoy the day and think of it as a good day out of the house ..... that's what I do 😊

### **Food & Beverage Stalls:**

- Food and beverage stalls **enter via Elder Street, Lambton (near Tennis Courts) and you will be shown where to set up.**
