

## **BUMP IN --- LAMBTON ART BAZAAR SEPTEMBER 29, 2024**

Hi Everyone

After a rather unfortunate Art Bazaar on August 25 when we experienced a weather event which was not forecasted and was a surprise to our Art Bazaar Coordinators as well, we are happy to be able to organize this extra Art Bazaar at no cost to our members and we hope you all have a very good day on Sunday.

The Weather is still very unpredictable, and I will be watching my four weather Apps (yes I do have them 😊) and if the weather deteriorates between now and Sunday morning we will contact you via email...so just keep an eye on your emails....

I think it's going to be fine at this stage but who knows ... Mother Nature has her own rules : 😊

Please read all the information below as its important to ensure that we all have a safe, positive, happy and hopefully lucrative day 😊

Looking forward to catching up with you on Sunday

Thank you.. Kay

### **IMPORTANT INFORMATION BELOW**

**We will be able to drive on Lambton Park on Sunday** at this time, however, please be aware the ground is still a little soft in some areas, your careful entry and exit from the park to ensure no damage to the grounds is greatly appreciated.

### **ARRIVAL TMES**

The layout for this market is different as we have 38 stalls and we have opted for a Boutique style with a circle (well sort of) it looks good and the "Traffic Flow " map shows you the entry and exit points...we will have someone at entry to direct you to your site..... VERY IMPORTANT ...unpack your car at your stall site and IMMEDIATELY move your car to an area outside the park. 'The Men's Shed' will be in attendance to help you set up you Marquee.

6.00 – 6.30	Committee members only – 2,4,16,17,30 (once unpacked/marquee up help other stallholders)
6.30 – 7.00	38, 36, 34 ,32, 28 ,25 ,23, 21 ,6 ,8 ,10 ,12 ,14/15 ,19,

7.30 – 8.00	1, 3,

**MARKET START TIME IS 10AM SO STILL 2 HOURS TO SET UP FROM 8AM**

- **DON'T FORGET YOUR WEIGHTS .....**All stalls must have weights, Lambton Park can get very windy especially at this time of year and a lot of damage can be caused by a flyaway marquee, so PLEASE take the time to ensure that your Marquee is stable ...if you are unsure of what is required please ask me and I will assist you in ensuring that you are safe as well as your neighbouring stallholders
- **BY order of NCC .....**No pegging allowed.

### **NO EARLY PACK UP**

We understand how difficult it can be when you are having a day with little interaction and minimal sales, we have all been there, however we should always be aware that to pack up early reflects on the market as a whole, creating a negative vibe....so just relax talk to your next door stallholder , enjoy the day and think of it as a good day out of the house ..... that's what I do 😊

### **SUMMARY**

- Members of Newcastle Men's Shed will be available to assist with erecting your Marquee if you wish. They will also be assisting at the end of the market.
- **Once you are unloaded PLEASE move your vehicle ... to make room for the next stallholder.**
- Park away from the Bazaar so that customers will be able to find a park close by.
- **Please keep strictly to the above schedule**

### **Food & Beverage Stalls:**

- Food and beverage stalls **enter via Elder Street, Lambton and you will be shown where to set up**

### **INFORMATION ON MARKET CANCELLATION**

- Art Bazaar will not go ahead on the day when poor weather is occurring at 7.00am on that day..... all stallholders will be notified by email.
