- **Once you are unloaded, BEFORE you set up, please move your vehicle away from the area to make room for the next group.**
- Park away from the bazaar so that customers will be able to find parking.
- **Please keep strictly to the schedule above.**
- Please note that after 8.45 parking becomes even more difficult due to church traffic.

## Stall Dimensions

Most of the stall spaces have been increased to 3m x 3m (the same size as an average gazebo).

Stalls 40 – 43 are 4m x 2m. This provides room for up to 3 tables (same as 3m x 3m), that could be arranged, for example, as a short, wide U ∪, or a long L ⊥.

Stalls 33 – 39 are outdoor under cover stalls. As such, gazebos are not necessary, but may be used to help display artworks (weights only, no pegs).
