Click on the Title (the text in bold blue) of your Creative Page to access it.

The draft of your page will appear in the list of pages you have access to - your page title will default to your email address
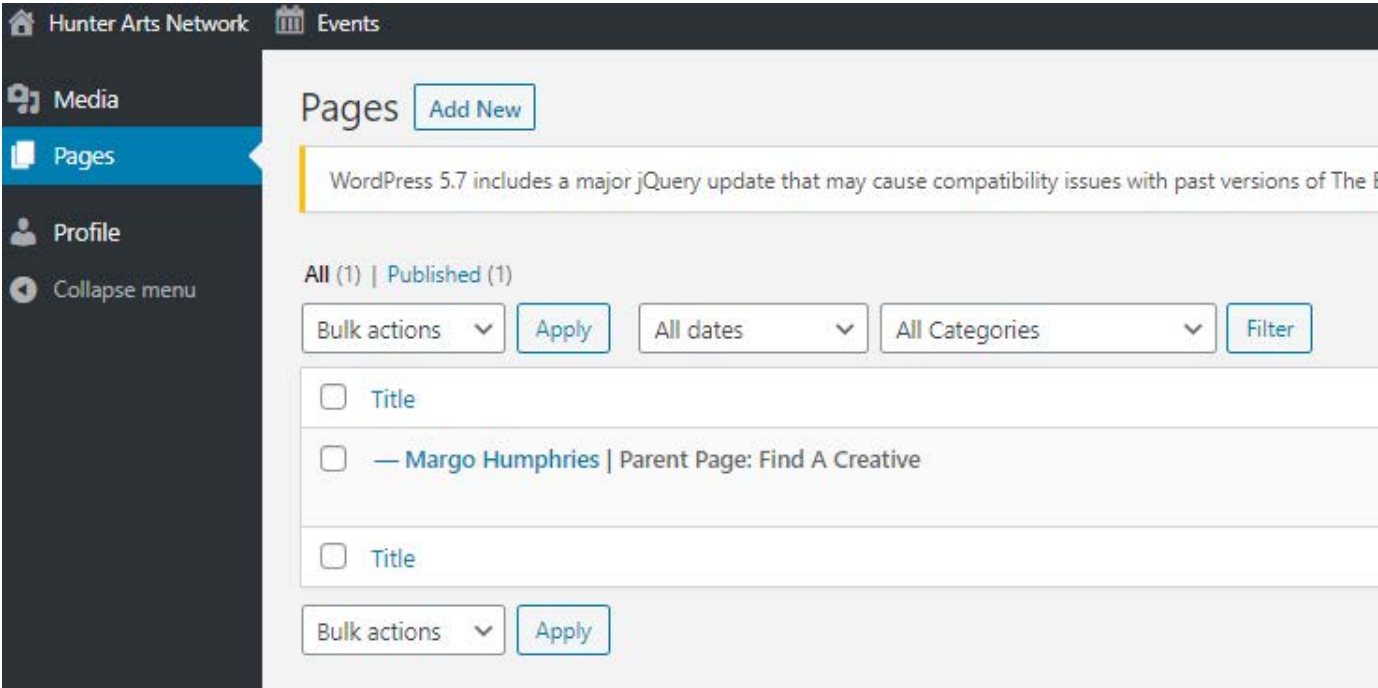

Every paragraph, image, or video on your page is presented as a "block" of content. To insert a block click on the white cross inside the blue square. The block options will appear. Click on the option you want to insert on your page (choose from Paragraph, Image, Gallery, Table and much more). Blocks you have added can be edited, moved and removed.

How to add categories to your page

Categories is in the menu on the right side of your page. You can select more than one. This is an important new feature of our website which we anticipate to be widely utilised. By selecting the categories that are appropriate to your Creative Page, your page will then appear in the search results for those categories when they are selected.

These are the current available Categories. If you would like more categories added please email publicity@hunterartsnetwork.org:
