

1. Design Modelling for Casting

Part one

Creating the model from wax

In this workshop you will learn to make a jeweller piece, using techniques such as carving, building and free forming, from wax. You will be able to identify the right technique for the right design and gain information for future wax making projects.

You will send the finished pieces to cast in silver, gold or brass. Barbara will provide wax and tools.

Dates:

Sunday 27th April 10am to 4.30pm (4 only)

Cost: \$154.00 inc GST

Sunday 25th May 10am to 4.30pm (4 only)

Cost: \$154.00 inc GST (Postage and casting not included in the price)

Part Two

Cleaning up the Cast Design

Upon receiving your pieces cast in your preferred metal, you will learn how to prepare your piece for final polishing. You will learn to use a piercing saw, files, sandpaper, thrumming cloth, and dremel. You will also gain information on cutting and polishing buffs and compounds. Barbara will provide tools and equipment.

Dates:

Sunday 11th May 10am to 4.30pm (4 only)

Cost: \$154.00 inc GST

Sunday 8th June 10am to 4.30pm (4 only)

Cost: \$154.00 inc GST

2. Upcycling to Jewellery

In this workshop you will be guided in assembling and upcycling your old broken and loved bits into new and funky jewellery or small sculpture.

Learn about adhesives, new materials, and design. Confidently use tools of trade and techniques to achieve your upcycled design aided by Barbara's expertise in jewellery making and sculpture. Barbara will provide adhesives, tools and equipment, some materials, beads and findings.

Dates:

Sunday 16th February 10am to 4.30pm (4 only)

Cost: \$143.00 inc GST

Sunday 23rd March 10am to 4.30pm (4 only)

Cost: \$143.00 inc GST

3. Riveting

This workshop is designed to teach you how to use copper and fine silver rivets to join a variety of materials.

Confidently use tools of trade and techniques to produce your design(s), without adhesives or soldering, aided by Barbara's expertise in jewellery making.

Materials may include copper, brass, silver, acrylic, laminex, wood, tin

Barbara will provide silver plate and fine silver wire, copper plate, laminex, acrylic, all tools and safety equipment.

Dates:

Sunday 21st September 10am to 4.30pm (4 only)

Cost: \$154.00 inc GST
