

Art4TROG Exhibition Details

Background:

TROG Cancer Research is a not-for-profit cancer trials research group based in Newcastle. Over the past 29 years we have been involved in more than 100 cancer clinical trials with the help of more than 14,000 volunteers. We rely on community donations to help continue our life-saving research and are always looking for new and different ways to raise funds for our cancer clinical trials.

In 2016, we held our first 'Art4TROG Exhibition', which raised more than \$10,000 in vital funds to go towards our cancer research program. We are seeking support from talented artists like yourself who would like to be involved with this exhibition and fundraiser.

If you are able to contribute art to this exhibition, we would be extremely grateful. You can choose to donate the whole or part of your sale proceeds to TROG Cancer Research.

Exhibition date:

The Art4TROG Exhibition will run from 4 May – 30 July.

Location:

The Art4TROG Exhibition will be held at Tamburlaine Organic Wines, which is located at 358 McDonalds Road, Pokolbin, in the Hunter Valley. Tamburlaine is a popular winery with a well patronised cellar door facility. The exhibition will be held in a dedicated space, that is located near the cellar door.

Installation dates:

Installation of the artwork at Tamburlaine Organic Wines will take place on **Thursday 26 April**. If required other hanging opportunities can also be made via prior arrangement on the **30 April or 1 May**.

Exhibition opening:

The opening of the Art4TROG Exhibition is on **Friday 4 May at 6pm**. Art4TROG will be opened by TROG's ambassador, Julie McCrossin, who is a respected ABC broadcaster and former TV host. Julie has experienced cancer herself, after being diagnosed with throat cancer in 2013. Ticket pricing for this event is still being finalised. Tickets will be available online.

If you are interested in participating in Art4TROG please fill out the accompanying Expression of Interest form and return it to Tanya Carlyle, Marketing and Communications at TROG Cancer Research at tanya.carlyle@trog.com.au

If you have any further questions please don't hesitate to call Tanya on 0484 713 718 or contact her via the above email.
