

Invitation to participate in **ADORNMENT 2014**

**Dear artists**

**Following a successful exhibition in 2013 I am inviting you to join this group exhibition at Newcastle Art Space in October 2014. Please forward to artists who may be interested to join this exhibition**

*Body art like any other art form ranges from the frivolous to the serious.*

*It is the rebellion against the mundane where artists and the viewer enter a world of dreams and fantasies that go towards the creation of extraordinary visions of art.*

*A place where the human body is decorated with paint or garments designed from the sublime to the ridiculous.*

*Humans innately hold a fascination with enhancing and showing off their bodies.*

NAS is inviting expressions of interest from artists to participate in an exhibition at NAS from October 23 to November 9<sup>th</sup> 2014. The exhibition is titled **ADORNMENT** to encompass all areas of body decoration, and can include wearable art, decorative finery, photographs or art works about body art.

We are looking for imaginative 'out there' creations to delight, inspire and entertain the senses!

You can be inspired by the tattooed body, the scarred body, the plastic body, the symbolic body, the sexual body, the animal body, the social body, the religious body, the dressed body, the decorated body.

**NAS is a non profit artist volunteer run gallery. Rental fees apply to the space and an entry fee will be charged to artists to cover the gallery costs**

Please send your expressions of interest to [elizann53@hotmail.com](mailto:elizann53@hotmail.com)

**Artworks to be delivered to the NAS gallery Monday October 20 between 12 to 6pm with entry fee at 246 Parry St Hamilton West.**

Curators will take the greatest care of your work but the Newcastle Art Space Gallery will not take responsibility for loss or damage of any artwork during installation / exhibition and de-installation. Please arrange personal insurance coverage of your art work, if required.
